Sub: Submission of Corporate Announcement under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Update on Meeting with BSE Officials regarding Pending Applications

Ref: Scrip Code: 530595 **| Scrip ID:** TELECANOR

Dear Sir/Madam,

The Company wishes to inform the Stock Exchange that it has been continuously following up with the Stock Exchange with regard to the pending applications submitted by the Company, including the application for in-principle approval for issue of fresh shares and listing approval in respect of the securities already issued by the Company, for the past several months.

The Company has also been receiving continuous enquiries and follow-ups from its investors and stakeholders regarding the status of the pending listing application and the consequent delay in listing of the securities. The prolonged pendency of the applications has caused considerable uncertainty among the investors and stakeholders of the Company.

Further, the Company regrets to state that, owing to the prolonged pendency of the in-principle approval, the Company has also lost the interest of certain prospective investors who had earlier expressed their willingness and readiness to invest in the Company, details of which were disclosed in the Extraordinary General Meeting held on 06.03.2026 (Proposed Investment of approximately Rs. 21.78 crore). The Company believes that the prolonged period for which the in-principle approval remained pending, without any clear or specific communication regarding the reasons for such pendency, has adversely affected the Company's ability to pursue and secure such proposed investments.

After continuous follow ups in this regard, the Company was invited by the Stock Exchange for a meeting on 20.07.2026, which was attended by the Managing Director of the Company, Mr. S. Gopalan, Executive Director, Mr. Vishal Jhaveri**,** Deputy Chief Regulatory Officer - Issuer Oversight and other officials of the Stock Exchange. During the said meeting, the Managing Director of the Company, inter alia, apprised the officials of the Stock Exchange of the following matters:

1. **Refund of Processing Fees:** The Company requested that the processing fee paid in respect of the preferential issue, for which the processing has not been undertaken, be refunded to the Company as the investors no longer wish to participate in the said issue.

2. **Expeditious Processing of Listing Application:** The Company requested the Stock Exchange to expedite the processing and approval of the pending listing application and the related applications, which have remained pending for a considerable period, causing significant hardship and uncertainty to the Company and its investors.

3. **Transparency in Application Status:** The Company requested the Stock Exchange to consider providing a public-facing portal or suitable mechanism through which the status and progress of applications submitted by listed companies can be viewed and tracked, thereby facilitating greater transparency and enabling companies and other stakeholders to monitor the progress of their applications.

The Company further wishes to state that, as on the date of this intimation, the Company is yet to receive any further communication or update from the Stock Exchange subsequent to the aforesaid meeting.

The Company continues to pursue the matter with the Stock Exchange and remains hopeful that the pending applications will be considered and processed expeditiously in the interest of the Company and its investors and stakeholders.

The Company shall make further disclosures, as may be required, upon receipt of any communication or update in this regard.

You are requested to kindly take the same on your records and disseminate the information on your website.
Thanking you,

Yours faithfully,
For TeleCanor Global Limited
