Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 ("the Act"):**Item No. 4****Reappointment of Mr. Neil Kiran Shah (DIN: 08616568) as Managing Director**

The tenure of Mr. Neil Kiran Shah as the Managing Director of the Company expired on 31st March, 2026. Considering his significant contribution to the growth and operations of the Company, his leadership, and his extensive experience in finance, administration and business management, the Board of Directors, at its meeting held on 30th January, 2026, on the recommendation of the Nomination and Remuneration Committee, approved his re-appointment as Managing Director of the Company for a further period of five (5) years, commencing from 1st April, 2026 and ending on 31st March, 2031, subject to the approval of the members.

Mr. Neil Kiran Shah holds a Bachelor's Degree in Engineering and a Master's Degree in Business Administration (Finance). He has been associated with the Company since September 2014 and has served in various key managerial positions, including Finance Controller, CFO, Whole Time Director and Managing Director. During his association with the Company, he has played a vital role in strengthening the Company's financial management, business administration, production planning and overall operational efficiency. The Board is of the opinion that his continued leadership will be of immense value to the Company.

The principal terms and conditions of his re-appointment are as follows:

- Designation: Managing Director & Chief Financial Officer
- Tenure: Five years from 1st April, 2026 to 31st March, 2031.
- Remuneration: Salary of Rs. 4,50,000/- per month, together with perquisites, allowances and other benefits as specified in the proposed resolution.
- Minimum Remuneration: In the event of absence or inadequacy of profits in any financial year during the tenure of his appointment, he shall be paid the remuneration as specified in the resolution, subject to the provisions of Sections 196, 197 and Schedule V of the Companies Act, 2013.
- Retirement by Rotation: During the tenure of his appointment, Mr. Neil Kiran Shah shall be liable to retire by rotation in accordance with the provisions of the Companies Act, 2013.

The Company has received from Mr. Neil Kiran Shah his consent to act as Managing Director, a declaration that he is not disqualified from being appointed as a Director under Section 164 of the Companies Act, 2013, and confirmation that he satisfies the conditions specified under Section 196 and Part I of Schedule V to the Act.

The Board is satisfied that the proposed remuneration is commensurate with Mr. Neil Kiran Shah's qualifications, experience, responsibilities and the size and operations of the Company. The remuneration has also been recommended by the Nomination and Remuneration Committee and is in accordance with the Company's remuneration policy.

The draft Agreement setting out the terms and conditions of his re-appointment and other relevant documents shall be available for inspection by the members at the Registered Office of the Company during business hours on all working days up to the date of the Annual General Meeting.

The information required pursuant to Section II of Part II of Schedule V to the Companies Act, 2013 and Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, together with Secretarial Standard-2 on General Meetings, forms part of the Annexure to this Notice.

Except Mr. Neil Kiran Shah and Mrs. Neha Vivek Vora, being his relative, none of the Directors, Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the proposed resolution.

The Board of Directors recommends the Special Resolution set out at Item No. 4 of the Notice for approval of the members.

Item No. 5**To ratify the remuneration payable to the Cost Auditor of the Company for the financial year 2026-27**

The Board of Directors of the Company on the recommendation of the Audit Committee, has approved the appointment of M/s. Y. S. Thakkar & Associates, Cost Accountants, as the Cost Auditors of the Company to conduct the audit of the cost records of the Company for the financial year ending 31st March, 2027, at a remuneration of Rs. 55,000/- (Rupees Fifty-Five Thousand only) plus applicable GST and reimbursement of out-of-pocket expenses, if any, incurred in connection with the cost audit.

In accordance with the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors, as recommended by the Audit Committee and approved by the Board of Directors, is required to be ratified by the members of the Company.

The Company has received a certificate from M/s. Y. S. Thakkar & Associates confirming that they satisfy the eligibility criteria prescribed under the Companies Act, 2013 and the rules made thereunder for appointment as Cost Auditors. The said certificate shall be available for inspection by the members at the Registered Office of the Company during business hours on all working days up to the date of the Annual General Meeting.

Accordingly, the Board recommends the Ordinary Resolution set out at Item No. 4 of the Notice for approval and ratification by the members.

None of the Directors, Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in the proposed resolution, except to the extent of their shareholding, if any, in the Company.

Item No. 6

To appoint Secretarial Auditor to fill the Casual Vacancy.

Pursuant to the provisions of Section 204 of the Companies Act, 2013, every listed company is required to appoint a Secretarial Auditor to conduct the Secretarial Audit of the Company.

M/s. Jayesh Vyas and associates, Practicing Company Secretaries, who were appointed as the Secretarial Auditor of the Company, have resigned from the office of Secretarial Auditor with effect from 16th July, 2026, thereby creating a casual vacancy before completion of their tenure.

Based on the recommendation of the Audit Committee and the Board of Directors, the Board, at its meeting held on 16th July, 2026, appointed M/s. Janki and associates, Practicing Company Secretaries (M. No A49469, COP 17960), to fill the casual vacancy in the office of the Secretarial Auditor, subject to the approval of the Members of the Company.

M/s. Janki and Associates have conveyed their consent to act as the Secretarial Auditor of the Company and have confirmed that they satisfy the eligibility criteria prescribed under the Companies Act, 2013 and are not disqualified from being appointed as the Secretarial Auditor of the Company.

The Board considers the appointment of M/s Janki and associates, Practicing Company Secretaries, to be in the best interest of the Company and accordingly recommends the Ordinary Resolution set out at Item No. 6 of the Notice for approval of the Members.

None of the Directors, Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in the proposed Resolution, except to the extent of their shareholding, if any, in the Company.

20. Material Changes and Commitments, if any, affecting the financial position of the Company which have occurred between the end of Financial Year of the Company to which the Financial Statement relate and the date of the Report:

There were no material changes that have affected the financial position of the Company which have occurred between the end of financial year on 31st March, 2026 and till the date of this report.

21. Management Discussion and Analysis:

In terms of the provisions of Regulation 34 of the SEBI (Listing Obligations and Disclosures Requirements) Regulation 2015, the Management Discussion and Analysis has been given hereunder.

a. Industry Scenario/India key market trends :

Despite the challenges thrown up by continued geopolitical conflicts between Russia-Ukraine War, Israel and Palestine war, Iran & Israel attack and modest global growth, growing domestic demand, which has aided its strong growth.

India's economy is a complex mix of agriculture, manufacturing and a rapidly growing service sector. Despite the significant role of Agriculture, the sector faces challenges like low productivity and inadequate infrastructure and is vulnerable to climatic conditions. Manufacturing varies from village industries to modern industries like pharma, automobiles and textiles. The service sector, including IT and financial services, has seen rapid expansion, becoming a major contributor to GDP.

b. Opportunities and Threats :

Macro-economic risks: Indian economy has become the fifth largest economy in the world. The major election uncertainties are out of the way and likely announcement of rate cuts by central banks in west. But India will likely see improved capital flows boosting private investments and a rebound in export.

c. Outlook :

Even outlook looks positive in FY 2026-27, the recent rapid rate hike may have impact on credit. It has been forecasted that the agriculture sector may not have a negative any impact and monsoon will remain normal.

The consensus among our analysts is for India to remain among Asia's top performers in the coming years boosted by domestic political stability, a business-friendly reform agenda, strong population growth and increased interest of foreign firms looking to diversify supply chains away from China.

d. Risks and concerns:

- i. Risk related of Raw Materials: Risks associated with key procurement relationships include:
 - a. the availability of raw materials, more particularly Iron & Steel ;
 - b. the price of raw materials may be subject to material changes in world-wide pricing levels;
 - c. Very high input costs such as freight and electricity and frequent fluctuation in raw material prices in the market ; and
 - d. key supplier relationships may be lost or impaired, contracts renewed on less favorable terms or exit of key suppliers from the market.

The Company plans well in advance to procure the raw materials from the domestic reputed supplier located in different parts of the country to mitigate risk relating to availability of raw materials.

e. Internal Control System and their Adequacy:

The Company's internal audit system has been continuously monitored and updated to ensure that assets are safeguarded, established regulations are complied with and pending issues are addressed promptly. The Audit Committee makes a note of the audit observations and takes corrective/remedial actions wherever necessary. It also maintains constant dialogue with statutory and internal Auditors to ensure that Internal Control system are operating effectively. Based on its evaluation (as provided under Section 177 of the Companies Act, 2013 and Clause 18 of SEBI Listing Regulations), the Audit Committee has concluded that as of 31st March, 2026, the Internal Financial Controls were adequate and operating effectively.

M/s. CNK & Associates LLP, Chartered Accountants, the Statutory Auditors formed an opinion that the Company has, in all material respect, an internal financial control with reference to financial statements of the Company and such internal financial reporting are operating effectively. The criteria for financial reporting as established by the Company considering the essential components of internal control as stated in the Guidance note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India and a report on the internal controls over financial reporting as defined in Section 143 of the Companies Act, 2013.

Independent Auditor's Report

TO THE MEMBERS OF GUJARAT CONTAINERS LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of GUJARAT CONTAINERS LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Financial Statements, including a summary of Material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statement and Auditor's Report thereon.

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report including Annexure to that Board's Report, Corporate Governance, and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of

the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error;

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so;

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation;

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Company of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit;

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements

regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards;

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in Para 1 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report to the members of the Company on the Financial Statements for the year ended 31st March 2026.

To the best of our information and according to the explanations provided to us by the company and the books of account and records examined by us in the normal course of audit, we state that:

- I.
- (A) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;
 - (B) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company is maintaining proper records showing full particulars of intangible assets;
 - (b) The Company has formulated a phased programme for physical verification of fixed assets, designed to cover all items over a period of three years. According to the programme, the company has during the year, physically verified the relevant assets. In our opinion, the frequency of the verification is reasonable having regard to the size of the company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification;
 - (c) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the financial statements, are held in the name of the Company as at the Balance Sheet date;
 - (d) According to information and explanations given to us, the company has not revalued its Property, Plant and Equipment during the year;
 - (e) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company does not have any proceedings initiated or pending for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Hence the requirements under paragraph 3(i)(e) of the Companies (Auditor's Report) Order, 2020 ("the Order") are not applicable to the Company.
- II.
- (a) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the inventory have been physically verified by the Management at reasonable intervals. Considering the size of the Company, the frequency of verification is reasonable and the procedures are adequate. No discrepancies have been noticed on such verification;
 - (b) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company has working capital limits sanctioned from banks or financial institutions exceeding Rs. 5 crores during the year and the quarterly returns / statements filed by the Company are generally in agreement with the books of accounts and no material discrepancy was observed.
- III. The Company has made investments in, Companies, firms, Limited Liability Partnerships, and granted unsecured loans to other parties, during the year, in respect of which:

- (a) The Company has provided loans to employee during the year, are as follows:

- (b) In our opinion and according to the information provided to us, the terms and conditions of the grant of such loans and investments made are not prejudicial to the interest of the Company;
- (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest have generally been regular as per stipulation.
- (d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans

granted to settle the overdues of existing loans given to the same parties.

- (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable

Other than that, mentioned above, the Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnership or any other parties;

- IV. Based on our verification of the documents provided to us and according to the information and explanations given by the Management, in respect of loans, investments, guarantees, and security, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013.
- V. Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company has not accepted any deposits or the amounts which are deemed to be deposits within the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under, therefore, the provisions of paragraph 3(v) of the Order are not applicable to the Company.
- VI. According to the information and explanations given to us and the records of the company as examined by us, maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013, and prima facie, the prescribed cost records have been maintained by the Company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

VII. In respect of statutory dues:

- (a) In our opinion, the Company is regular in depositing with appropriate authorities undisputed statutory dues including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-Tax, Sales-Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Cess and any other material statutory dues applicable to it;

- IX. (a) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender;
- (b) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company is not declared wilful defaulter by any bank or financial institution or other lender;
- (c) Based on the procedures performed by us and according to the information and explanations given by the Management, we report that the no term loans were applied during the year therefore, this provisions of the Order is not applicable to the Company.
- (d) Based on the procedures performed by us and according to the information and explanations given by the Management, we report that no funds raised on short-term basis have been used for long-term purposes by the Company;
- (e) According to the information and explanations given to us, and the records examined by us, the company has no subsidiaries, associates or joint ventures. Accordingly, reporting under the clause 3 (ix) (e) and (f) is not applicable.
- X. (a) Based on the procedures performed by us and according to the information and explanations given by the Management, the Company has not raised moneys by way of initial public offer or further public offer including debt instruments, and term loans were applied for the purposes for which those are raised during the year;

- (b) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Therefore, the provisions of paragraph 3(x)(b) of the Order are not applicable.
- XI. (a) During the course of our examination of the books of account and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any incidence of fraud on or by the Company noticed or reported during the year, nor we have been informed of any such case by the management;
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- XII. The Company is not a nidhi company and hence the reporting under clause 3(xii) of the order is not applicable to the Company.
- XIII. Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company is in compliance with Section 177 and 188 of the Companies Act where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Financial Statements as required by the applicable accounting standards;
- XIV. (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered report of the internal auditors for the period under audit;
- XV. Based on our verification of the documents provided to us and according to the information and explanations given by the Management, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him. Therefore, the provisions of paragraph 3(xv) of the Order are not applicable.
- XVI. Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and therefore, the provisions of paragraph 3(xvi) of the Order are not applicable.
- XVII. Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company has not incurred any cash losses in the financial year and in the immediately preceding financial year
- XVIII. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) is not applicable.
- XIX. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- XX. (a) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, there are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- (b) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the company has not spent amount towards Corporate Social Responsibility (CSR) on ongoing project. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.
- XXI. As the Company is not required to prepare consolidated financial statements, reporting under clause 3(xxi) of the Order is not applicable.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **GUJARAT CONTAINERS LIMITED** ("the Company") as of 31st March 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls: The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements of the Company that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility : Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements of the company were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements of the company and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting : A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting : Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion : In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an internal financial controls with reference to financial statements of the Company and such internal financial controls over financial reporting were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1. COMPANY OVERVIEW AND MATERIAL ACCOUNTING POLICIES:

1.1 Description of Business

Gujarat Containers Limited is an ("the Company") is a public limited company, incorporated under the provisions of the Companies Act, applicable in India. Its registered office is located at plot no. 488, Baroda- Savli Highway, Vill. Tundav, tal. Savli, Dist. Vadodara – 391775.

Its shares are listed on the Bombay stock exchanges. The Company primarily is in manufacturing of variety of specialized Barrels

1.2 Basis of Preparation of Financial Statements

i. Compliance with Ind AS

The Financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Act to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

ii. Historical cost convention

The financial statements have been prepared on a historical cost basis, except the following:

- Certain financial assets and liabilities that are measured at fair value;
- Defined benefit plans – plan assets measured at fair value.

iii. Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the Company's functional currency, and all values are rounded to the nearest lakhs, except otherwise indicated.

iv. Composition of Financial Statements

The financial statements comprise:

- Balance Sheet
- Statement of Profit and Loss
- Statement of Cash Flow
- Statement of Changes in Equity
- Notes to Financial Statements

1.3 Key Accounting Judgments, Estimates and Assumptions

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Any change in these estimates and assumptions will generally be reflected in the financial statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

2.1 Material Accounting Policies and Other Explanatory Notes

A. Property, Plant and Equipment:

i. Recognition and measurement

Freehold land is carried at cost and not depreciated. All other items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognised in the Statement of Profit and Loss.

If significant parts of an item of property, plant and equipment have different useful life, then they are accounted and depreciated for as separate items (major components) of property, plant and equipment.

An Item of Property, Plant and Equipment is de-recognised upon disposal or when no future economic benefits are

expected to arise from the continued use of the asset. Any gain or loss on disposal of an item of property, plant and equipment is recognised in the Statement of Profit and Loss.

ii. Subsequent Expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is recognised so as to write off the cost of the assets (other than freehold land) less their residual values over their useful lives, using the Straight Line Method on the basis of useful lives specified in part C of Schedule II to the Companies Act, 2013.

B. Intangible Assets:

i. Recognition and measurement

Intangible Assets are stated at cost of acquisition less accumulated amortization and accumulated impairment, if any. Amortization is done over their estimated useful life on straight line basis from the date that they are available for intended use, subjected to impairment test.

ii. Amortization

Software, which is not an integral part of the related hardware is classified as an intangible asset and is amortized over the useful life of 3 years.

iii. De-recognition of Intangible Assets:

Intangible asset is de-recognised on disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the Statement of Profit and Loss when the asset is de-recognised.

C. Impairment:

i. Non - financial assets

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite life may be impaired. If any such impairment exists, the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair valueless costs of disposal and value in use. If the recoverable amount of the asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised in statement of Profit and Loss.

D. Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

(A) Lease Liability

At the commencement date, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using incremental borrowing rate.

(B) Right-of-use assets

Initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives.

Subsequent measurement

(A) Lease Liability

Company measure the lease liability by (a) increasing the carrying amount to reflect interest on the lease liability; (b) reducing the carrying amount to reflect the lease payments made; and (c) remeasuring the carrying amount to reflect any reassessment or lease modifications.

(B) Right-of-use assets

Subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

Impairment

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Short term Lease:

Short term lease is that, at the commencement date, has a lease term of 12 months or less. A lease that contains a purchase option is not a short-term lease. If the company elected to apply short term lease, the lessee shall recognise the lease payments associated with those leases as an expense on either a straight-line basis over the lease term or another systematic basis. The lessee shall apply another systematic basis if that basis is more representative of the pattern of the lessee's benefit.

As a lessor

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Lease income is recognised in the statement of profit and loss on straight line basis over the lease term.

E. Inventories:

Inventories are measured at the lower of Cost and Net Realizable Value. The cost of inventories is based on the first-in first-out formula, and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The Net realisable value of work in progress is determined with reference to the selling prices of related finished products.

F. Investments and Other Financial Assets:**i. Classification:**

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through Statement of Profit and Loss), and
- Those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in Statement of Profit and Loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt or equity investments when and only when its business model for managing those assets changes.

ii. Measurement

At initial recognition, in case of a financial asset not at fair value through profit and loss, the Company measures a financial asset at its fair value plus, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Statement of Profit and Loss are expensed in Statement of Profit and Loss.

- (a) Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely

payments of principal and interest are measured at amortized cost.

- (b) Fair Value through Other Comprehensive Income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through Other Comprehensive Income (OCI), except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in Statement of Profit and Loss. When the financial asset is de-recognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit and loss and recognised in other gains/ losses. Interest income from these financial assets is included in other income using the effective interest rate method.
- (c) Fair value through profit and loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through Statement of Profit and Loss. Interest income from these financial assets is included in other income.

Trade Receivables:

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

iii. Equity Instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to Statement of Profit and Loss. Dividends from such investments are recognised in Statement of Profit and Loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at fair value through profit and loss are recognised in other gain/losses in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

iv. De-recognition

A financial asset is derecognised only when

- (a) The Company has transferred the rights to receive cash flows from the financial asset or
- (b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

G. Cash and Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and highly liquid investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from the operating, investing and financing activities of the Company are segregated.

H. Financial Liabilities:

i. Measurement

All financial liabilities are recognised initially at fair value and in the case of loans, borrowings and payables recognised net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings..

ii. De-recognition

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are de-recognised as well as through the Effective Interest rate (EIR) amortization process.

I. Revenue recognition:

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company assesses promises in the contract that are separate performance obligations to which a portion of transaction price is allocated.

Revenue from the sale of goods is recognised at the point in time when control of the asset is transferred to the customer, generally on the delivery of the goods.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts, schemes, rebates offered by the Company as part of the contract.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing component, non-cash component and consideration payable to the customer like return, allowances, trade discounts, liquidated damages and volume rebates.

Sales are disclosed excluding net of sales returns, service tax, value added tax and Goods and Service Tax (GST).

i. Other Income:

- i) Other income is comprised primarily of interest income and gain / loss on investments. Interest income is recognised using the effective interest method.

J. Employee benefits:**i. Short term obligations:**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Provident Fund:

Contribution towards provident fund for employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

iii. Gratuity:

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The gratuity plan in Company is funded through annual contributions to Life Insurance Corporation of India (LIC) under its Company's Gratuity Scheme. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

K. Borrowing costs:

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale.

Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

Other borrowing costs are expensed in the period in which they are incurred.

L. Taxation

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in India. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

M. Provisions and Contingencies:

i. Provisions

Provisions for legal claims, product warranties and make good obligations are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Long-term provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money. Short term provisions are carried at their redemption value and are not offset against receivables from reimbursements.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

ii. Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

iii. Contingent Assets

Contingent Assets are not recognised but are disclosed in the notes to the financial statements.

N. Earnings per Share:

i. Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company, excluding any costs of servicing equity other than ordinary shares.
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

ii. Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional ordinary shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

O. Exceptional items:

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

2.2 Recent pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2026, MCA has notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, Ind AS 1 - Presentation of Financial Statements, Ind AS 7 - Statement of Cash Flows, Ind AS 107 - Financial Instruments: Disclosures and Ind AS 12, International Tax Reform – Pillar Two Model Rules. The company has reviewed the new pronouncements and based on its evaluation given necessary impact (including additional disclosures) as applicable.

45 Financial Risk Management

In the course of business, the company is exposed to certain financial risk that could have considerable influence on the Company's business and its performance. These include credit risk and liquidity risk. This not explain the sources of risk which the entity is exposed to and how the entity manage the risk.

The company's board of directors has overall responsibility for the establishment and oversight of the company's risk management framework.

The Board of Directors review and approves risk management structure and policies for managing risks and monitors suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings.

(A) Credit risk Management. :

Credit risk is the risk of financial loss to company if a customer or counter party to a financial instrument fails to meet its contractual obligations.

The company has not made any investments in financial instruments hence company's financial risk arises from the company's receivables from customers.

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which company grants credit terms in the normal course of business.

i) Trade receivables:

The Company's exposure to credit risk is influenced mainly by individual characteristics of each customer. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of the customer.

The Trade receivables consist of a large number of customers, spread across the country comprising primarily the manufacturers.

The average credit period on sales of goods is 70 days. The Company's trade and other receivables consists of a large number of customers, hence the Company is not exposed to concentration risk.

ii) Cash and Cash equivalents:

As at the year end, the company held cash and cash equivalents of Rs. 101.54 Lakhs (As at 31.03.2025 Rs. 301.39 Lakhs).

B) Liquidity risk management:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as and when required.

The Company manages the liquidity risk by maintaining adequate cash reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(i) Maturities of financial liabilities

The tables herewith analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

48 Event after reporting Period

On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed the impact of the changes, consistent with the Labour Codes, draft rules and FAQs.

Considering the regulatory-driven nature of this impact, the Company has presented such incremental impact of Rs. 8.06 Lakhs in the Statement of profit and loss for the year ended on March 31, 2026. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect as appropriate.
