Mkts decline for 3rd day in a row on higher crude prices

Sensex & Nifty Tumble Nearly 1% On Selloff In Bank Stocks

Mumbai: Benchmark indices—sensex and Nifty—tumbled nearly 1% on Wednesday, taking losses to the third consecutive day, following a sharp spike in crude oil prices and selling in bank stocks.

The 30-share BSE sensex tanked 715 points to settle at 76,755. During the day, it slumped 829 points to 76,641.

The 50-share NSE Nifty declined 191 points to end at 23,996.

The BSE MidCap Select index tumbled 1.3% and SmallCap Select index declined 1.2%.

"Indian equities ended lower as the ongoing US-Iran standoff and Houthi-led disruptions to key global shipping routes heightened concerns over potential oil supply disruptions, driving crude prices higher and weakening the rupee," Vinod Nair, head of research, Geojit Investments, said.

SENSEX LOSES 715 POINTS

From the sensex pack, InterGlobe Aviation, Infosys, State Bank of India, UltraTech Cement, ICICI Bank, and Axis Bank were among the major laggards.

Hindustan Unilever, NTPC, Power Grid, and Titan were among the winners.

Among sectors, realty tanked 2.6%, services (2%), PSU bank (1.8%), focused IT (1.7%), MidSmall private banks quality tilt (1.6%), IT (1.5%) and private banks index (1.4%). FMCG emerged as the only winner.

A total of 2,780 stocks declined, while 1,458 advanced and 180 remained unchanged on the BSE. Brent crude, the global oil benchmark, jumped 4.7% to $95.3 per barrel.

"Indian equities closed lower as a sharp rise in crude oil prices and persistent geopolitical tensions in the Middle East kept investors firmly in risk-off mode.

"The benchmark indices faced sustained selling pressure throughout the session, with broad-based declines across most sectors overshadowing an otherwise encouraging start to the first-quarter earnings season," Ponmudi R, CEO of Enrich Money, an online trading and wealth tech firm, said.

Investor attention remained firmly on the macro backdrop as higher crude oil prices and renewed concerns over potential US tariffs on pharmaceutical imports weighed on sentiment, he added.

In Asian markets, South Korea's KOSPI and Shanghai's SSE Composite index ended higher, while Japan's Nikkei 225 index and Hong Kong's Hang Seng index settled lower. AGENCIES

BPCL reports first loss in 15 quarters

New Delhi: Bharat Petroleum Corporation (BPCL) on Wednesday reported its first quarterly loss in 15 quarters as holding petrol, diesel and LPG prices despite a surge in input cost led to a Rs 3,962 crore deficit in the three months ended June 30. The net loss was Rs 3,962 crore in April-June — the first quarter of the current 2026-27 fiscal year — compared with a profit of Rs 6,124 crore in the same period a year back and Rs 3,191 crore in the preceding Jan-March quarter, according to a stock exchange filing by the company.

BPCL and other state-owned fuel retailers — Indian Oil Corporation (IOC) and Hindustan Petroleum (HPCL) — held petrol and diesel prices steady for two-and-a-half-months despite a more than 50% surge in prices of crude oil — the raw material for making petrol and diesel — after the US and Israel attacked Iran on Feb 28 and Tehran retaliated. And when these companies increased prices by over Rs 7.50 a litre in the second half of May, it wasn't enough to cover the cost. AGENCIES

Gabriel acquires promoter stake in JV, family holding up at 68%

Reeba.Zachariah
@timesofindia.com

Mumbai: Anand Group, the over $3 billion auto components conglomerate, is undertaking two linked transactions worth about Rs 3,180 crore through listed flagship Gabriel India that will lift promoter Anjali Singh and family's stake in the company to 68% and deepen its footprint in the sector.

Gabriel will buy out the Singh family's 29% stake in HL Mando Anand India for Rs 2,231 crore. The family holds the stake through Asia Investments (AI), also a Gabriel promoter entity. South Korea's HL Group holds the remaining 71%.

Gabriel will pay Rs 350 crore in cash to AI and issue shares worth Rs 1,881 crore for the balance, at an allotment price of Rs 1,305.89 apiece. Gabriel's scrip closed at Rs 1,493.4 on the BSE on Tuesday. The share issuance will take the Singh family's stake in Gabriel to 68%, from 64% currently.

> **Separately, Gabriel will buy a "30% minus one share" in HL Klemove India, an autonomous driving solutions maker owned by HL Group, for Rs 945 crore**

Separately, Gabriel will acquire a "30% minus one share" in HL Klemove India, an autonomous driving solutions maker owned by HL Group, for Rs 945 crore — giving the company its entry into the segment. HL will retain "70% plus one share" in HL Klemove after the sale.

Anand Group was founded by Singh's father, Deep Anand, in 1961. He set up Gabriel in collaboration with the US's Maremont Corporation, now Gabriel Ride Control, to manufacture shock absorbers in Mumbai. Singh succeeded her father as group head in February 2011. She and her husband, Jaisal Singh, also founded safari brand Sujan in Rajasthan.

Dhanbad boy launches ArniOS designed for global corporates

TIMES NEWS NETWORK

Dhanbad: Arnifi, an AI-driven global business & funds setup platform, co-founded by a Dhanbad boy, announced the launch of Arni OS, the world's first operating system built exclusively for corporate service providers (CSPs).

Developed and proven within Arnifi's own operations, the platform is now available globally, enabling CSPs to automate workflows, unify operations, and scale without any operational bottlenecks.

Most CSPs still rely on disconnected software, spreadsheets, emails, and WhatsApp groups to manage sales, compliance, operations, and finance.

"Coming from a small town taught me to value hard work over shortcuts and consistency over noise. Growing up around a family business and spending years on the sports field showed me that ownership, resilience, and teamwork matter far more than where you start," said **Shashi Kumar**, who hails from the small town of Dhanbad, Jharkhand.

> **Shashi's role has been to drive global growth and help simplify international business expansion for entrepreneurs and enterprises**

"Those values have helped me navigate startups with confidence because when you're focused on execution and continuous learning, competition becomes something you learn from, not something you fear," added Shashi, an alumnus of IIM Kozhikode.

Shashi's role has been to drive global growth and help simplify international business expansion for entrepreneurs and enterprises.

"Corporate service providers have outgrown the tools they're using today. We built Arni OS to eliminate operational complexity and give CSPs the technology foundation needed to scale with confidence," he added.

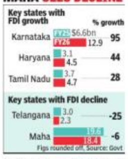
K'taka sees fastest FDI rise among major states

Shiva.Rajora
@timesofindia.com

New Delhi: Karnataka saw FDI flows nearly double to $13 billion during the last financial year as tech investors and global capability centres (GCCs) flocked to India's Silicon Valley, while Maharashtra, the top destination, saw a dip in inflows after two years.

Haryana, Tamil Nadu, Rajasthan, Uttar Pradesh, Andhra Pradesh and Punjab were among states that saw a significant increase in equity inflows, while Telangana saw a decline, latest official data shared in Parliament on Tuesday showed (see graphic). Gujarat was flat at $5.7 billion, also retaining the third spot among states.

MAHA SEES DECLINE



FDI comprises equity and reinvested earnings of companies but the data shared by govt was on the former.

Last year, equity inflows into India rose 17.6% to $58 billion.

A large part of the investments were driven by tech companies with money flowing into data centres and GCCs as well as investments into e-commerce companies such as Amazon and Flipkart. Sector wise data showed computer software and hardware ($13.9 billion) along with services sector ($10 billion) that includes finance, banking, insurance etc saw robust growth in FY26 and cornered nearly 40% of the total FDI inflows ($58.8 billion). Notably, food processing industry saw FDI grow nearly six times to $3 billion, while others like drugs and pharmaceuticals ($1.9 billion), automobile industry ($ 2.5 billion) and education ($1.3 billion) also saw robust growth.

Meanwhile, FDI in air transport fell nearly 70% to $383 million, whereas the electronics sector saw FDI nearly halve to $1.1 billion. It also fell in the cement and gypsum industry ($142 million) from $1.8 billion. Non-conventional energy sector ($3 billion) along with the power sector ($0.4 billion) also saw FDI inflows decline during the year.

Govt also informed that the overseas direct investment (ODI) from India to the US rose to $4.1 billion in FY26 from $3.4 billion in FY25. The financial, insurance and business services ($2.7 billion) sector saw robust growth and accounted for nearly half of the total flows. Other sectors like manufacturing ($0.7 billion), wholesale retail and trade ($0.4 billion) saw decline during the year.

Muscle loss is hitting Indians in 40s, diet & diabetes key factors

Sarcopenia is no longer just a geriatric problem, and we must know to distinguish between weight & muscle loss

Kamini.Mathai@timesofindia.com

What walks on four legs in the morning, two at noon, and three in the evening? The answer to this ancient Greek riddle of the Sphinx is 'man', the third leg a cane used for support as one grows old. It's possibly one of the earliest references to loss of muscle with age, known today as sarcopenia.

It's as old as ageing but the term sarcopenia (meaning 'poverty of muscle') was coined in 1989 by Dr Irwin Rosenberg, and officially recognised as a disease in 2016. Ten years on, the Geriatric Society of India has released the country's first "guidelines for evaluation and management of sarcopenia" to help doctors detect and treat muscle loss early before it leads to falls, disability and loss of independence.

Muscle overlooked

"For the past several decades, medical science focused on bone health, the rise in osteopenia and osteoporosis," says Dr O P Sharma, internal medicine specialist at Indraprastha Apollo Hospitals, Delhi, who curated the guidelines. "We never paid attention to the muscle attached to it, and are now paying the price."

More so, say doctors, as sarcopenia, thought to have been associated with older adults, is now showing up in younger folk. "Earlier, sarcopenia affected just 4% of younger adults. Our latest research from a 1,000-plus community cohort with an average age of 47 in a Kerala Diabetes Prevention Programme shows a prevalence of 35%," says Dr Nitin Kapoor, professor and head of endocrinology, diabetes and metabolism (Unit 1) department at Christian Medical College, Vellore.

While older adults exhibit primary sarcopenia, which is age-related, younger people have secondary sarcopenia, caused by steroid abuse (with native medicines), chronic organ failure and neuro-muscular disorders, says Dr Kapoor, who has published studies on it. "The third common cause is diabetes, which we are increasingly seeing in younger people. Insulin, an anabolic hormone, helps build muscle, fat and other tissues. In Type 1 diabetes, there's no insulin, and hence, significant muscle breakdown. In Type 2, even though levels may be high, there is insulin resistance and the hormone is not able to work the way it should. So, there is increased catabolism, which leads to muscle loss." It doesn't help that we are a carb-loving, predominantly vegetarian nation "conditioned to enjoy foods rich in oil, salt and sugar", says Dr Sharma. "We hardly look at protein-rich foods. It's a recipe for sarcopenia."

A carb-loving, 79-year-old vegetarian, Dr Sharma now follows a sarcopenia prevention plan. He sleeps seven hours a day (to allow the body to repair muscle), exercises every morning, walks in the sun for 15 minutes after lunch (to get his Vitamin D levels up), drinks a glass of milk and eats dal twice a day (trying out varieties from every state in India to keep meals interesting), and includes protein-packed seeds and one fibre-rich fresh fruit in his meals. "I keep physically and mentally active, and think positive."

The third, he says, is important as there is a bidirectional cycle between sarcopenia and depression. Sarcopenia leads to physical frailty, which limits social interaction and can contribute to depression. Conversely, depression and weakness discourage physical activity, which accelerates muscle loss.

Weight-loss drugs also a factor

New anti-obesity drugs help people lose fat, but about 30% of the weight loss may also come from muscle, says Dr Kapoor. "The drugs themselves are not harmful to muscles, and weight loss can improve mobility and strength. But doctors must advise patients on preserving muscle through protein intake and strength training while on medication." He adds that some of the muscle loss seen on the scans of those on the drugs may actually reflect fat within the muscle. "But this is still a hypothesis."

Aesthetic physician Dr Aishwarya Selvaraj says she is seeing a growing number of patients seeking treatment for a prematurely aged appearance after rapid weight loss. "People forget the face is made of not just skin, but fat, muscle and connective tissue. When volume is lost quickly, the skin sags," adds the Chennai-based founder of Biorevive. "I can help improve skin quality and firm it with ultrasound treatments and microneedling, but none can help as much as strength training. It's key to preventing muscle loss."

Sarcopenia and depression reinforce each other: muscle loss reduces activity and social contact, while depression accelerates further decline

Walking is not enough

But it's the first step, says Dr Kapoor. "When it comes to prevention and treatment, there are three broad pillars." The first is diet. "We recently conducted a nationwide study to find terribly low protein intake among Indians, only 0.7-0.8g of protein per kg of body weight per day. The first thing we need to do is increase protein intake to the recommended 1g per kg of body weight."

The second is exercise. "For most, exercise is only aerobic — walking or running. What we really need for muscle protection is resistance training." The third is medication. "Maintaining adequate calcium and vitamin D is important for musculoskeletal health. Newer drugs such as myostatin inhibitors are showing promise. They are being evaluated in clinical trials, especially in combination with anti-obesity drugs, to determine whether they can reduce muscle loss," says Dr Kapoor.

So, here's the question: Build on the three pillars today or lean on a third leg tomorrow? This one's no riddle.

WHAT ARE THE SIGNS?

1. Feeling weak, more tired, looking frail, like one has aged
2. Frequently dropping things owing to poor grip
3. Difficulty climbing stairs, slower walking speed
4. Balance poor, not being able to stand without leaning for support
5. Being prone to falls

SARCOPENIA TESTS

Handgrip strength: Squeeze a hand dynamometer as hard as possible for 3-5 seconds. Low grip strength (<28kg in men & <18kg in women) is early sign of probable sarcopenia

Chair sit-to-stand test: Stand and sit five times in less than 15 seconds

Gait speed: 6-metre walk @ 1 metre per second

Calf circumference: Lower than 32cm cut for women & 34cm for men suggests sarcopenia

DEXA scan: Used to check bone density, also assesses muscle mass

EXERCISE

- Focus on flexibility, joint mobility. Add balance training to improve stability
- Brisk walking, or cycling build endurance, heart health
- Add resistance training with weights, bands or body-weight exercises to build, preserve muscle mass. Even 15 mins of it 2-3 times a week is good enough

MIND YOUR HABITS FOR MORE MUSCLE

- **Diet:** Up protein intake to 1g/kg of ideal weight, vit D to prevent tissue breakdown, vit B12 to maintain nerve health for muscle contraction for muscle repair
- **Sleep:** 7 hours daily

Overall health: Sarcopenia linked to diabetes, kidney disease, heart failure, depression

Each GLP-1 drug has its own benefit, and side effect

Meta-analysis of 262 clinical trials (close to 1 lakh people) published in BMJ looked at the most commonly used weifght-loss drugs to find each one had its distinct advantages & disadvantages. A look.

How top five drugs fared:

1 Tirzepatide (Mounjaro)

Pros: Highest average weight loss after one year, at **14.9%**
- Cut total fat mass by **25.7%**
- Cut heart failure risk by **51%**

Cons: Caused highest loss of lean muscle mass, at **8.3%**
- Higher rates of side effects and treatment discontinuation

2 Cagrilintide-Semaglutide (CagriSema)

- **Pro:** Second-highest weight loss after a year, at **14.8%**.
- **Con:** Elevated rates of gastrointestinal side effects and treatment discontinuation

3 Oral Semaglutide

Pro: Average weight loss of **10.9%** after one year

Con: Higher weight loss efficacy meant more side effects, resulting in increased patient discontinuation

4 Orforglipron

- Average weight loss of **9.9%** after a year

5 Subcutaneous Semaglutide (Wegovy)

Pros: Average weight loss of **9.8%** after a year
- Lowered the risk of heart failure by **57%**
- Only drug linked to reduced risk of death from any cause, at **19%**
- Cut heart attack risk: **28%**
- Slowed kidney disease progression by **20%**

> The findings highlight that while evidence for weight loss is strong, evidence for longer term outcomes is still developing and differs considerably between individual medications

Marie Spreckley,
WEIGHT MANAGEMENT RESEARCHER, CAMBRIDGE UNIVERSITY

What study shows:

- Weight loss didn't last after treatment stopped. Other health benefits also bound to medication timeline
- None showed much improvement in quality-of-life scores at one-year mark
- Drugs that shed most weight also hardest on body, causing GI distress, severe fatigue, muscle loss

Source: BMJ journals

'Weight loss is only an intermediate goal of GLP-1 drugs'

TOI spoke to **Dr Nikhil Tandon,** head of endocrinology & metabolism, AIIMS Delhi, who helped develop the WHO global guidelines on GLP-1 use. Here's what he had to say about the drugs:

- **Good for avoiding surgery:** GLP-1 drugs (semaglutide & tirzepatide) are a safer alternative to bariatric surgery, and older weight-loss drugs that had high mental health damage risk
- **Back it with diet:** Lasting success needs a solid foundation of diet and physical activity, without which patients are susceptible to rapid weight rebound if they stop treatment
- **BP, sugar the real target:** Medically, weight loss is an intermediate milestone rather than the endpoint. The primary objective (highlighted by WHO guidelines) is lowering blood pressure, managing blood sugar, and reducing heart complications and mortality
- **Can't be popped casually:** These drugs have common side effects and individual tolerances vary, so they must be managed by a healthcare professional and not taken casually
- **What are you losing?** It's still unclear whether weight lost includes more lean muscle mass or a safer mix of muscle-fat & adipose tissue
- **Tolerance may be below dose:** A patient's maximum tolerated dose may be lower than max prescribed dose, altering results. Early data suggests those with diabetes may lose slightly less weight than others

> **Studies of this size give us a good overarching umbrella assessment of what's happened, but they need granularity. How Indians respond to GLP-1 and how an American will may not be quite the same**

Higher Healthcare Costs Seen in US

▸▸ From Page 1

America also has dependence on low-cost imported drugs, they said. "There is no formal guidance (on US tariff) yet. We only have a tweet. We will see how the situation evolves because we've been in those cycles in the past. It is not practical to move operations like that to the US," said Erez Israeli, chief executive of Dr Reddy's Laboratories. "Obviously, if tariffs are imposed, we'll have to raise the price in the US. Even if it is made in the US, costs will be higher, which will lead to inflation for insurers and retailers."

Industry watchers also believe the two-year time window that Indian drugmakers now have before tariffs would kick in would give them sufficient lead time to diversify and adapt, while American patients and insurers brace for higher healthcare costs.

"Effective August 1, 2026, all generic drugs being brought into the US will continue to have a tariff of zero percent for a two-year period of time, after which the tariff will be raised to 100% for a one-year period of time, and 200% thereafter," Trump said in his Truth Social post.

The earlier policy had exempted generic medicines that made up nearly 90% of the volume of prescriptions in the US.

'No Business Case'

Nearshoring of these drugs, however, may not be cost-effective. Namit Joshi, Chairman of the Pharmaceutical Export Promotion Council of India (Pharmexcil), said there is limited commercial incentive to direct significant capital toward a segment that generates such a disproportionately small share of revenue.

Vishal Manchanda, pharma analyst, Systematix Group, concurred. "It is practically not possible for Indian generic drug makers to allocate incremental capital in setting up plants in the US. They would rather diversify away from the US," Manchanda said. "Only for very high value generics, which offer significantly high gross margin above 90-95%, companies may consider setting up local facilities there."

Top Indian generic drugmakers get a third to nearly a half their revenue from the US, mostly from generic drugs

Manufacturing a drug in India costs at least 30-50% less than in the US, according to experts.

Top Indian generic drugmakers, Aurobindo Pharma, Dr Reddy's, Zydus Lifesciences, Lupin, Sun Pharma and Cipla, get a third to nearly a half their revenue from the US, mostly in the form of generic drugs. Ironically, the US FDA recently tapped Indian companies for supply of a chemotherapy drug ifosfamide, which was in short supply in the US.

The Nifty Pharma index, which includes several of these companies, lost 1.3% Wednesday. The costs and procedural complexities associated with building and running US facilities mean Indian drugmakers face little competition in the interim.

Shift to Physical Intelligence

▸▸ From Page 1

"Acceptance data for current admission cycle indicates that electronics & communication engineering, electronics & computer engineering, mathematics & computing, mechanical engineering, and allied branches have performed better than they did during the corresponding stage of the previous year's admissions," said Ajit Pratap Singh, dean, admissions & student financial aid at BITS Pilani.

Rapid growth in sectors such as semiconductors, chip design, embedded systems, electric mobility, robotics, automation, aerospace, and advanced manufacturing, besides the India Semiconductor Mission are driving the popularity of these courses, according to experts.

"Increasing convergence of AI, machine learning, and software with electronics, mechanical, manufacturing, and electrical engineering has made interdisciplinary skill sets highly valuable," said Singh.

While computer science graduates continue to get lucrative offers, companies in semiconductor design, embedded systems, automotive, aerospace, industrial automation, AI-enabled manufacturing and construction engineering are actively hiring students from these core engineering programmes.

"Students from these disciplines are securing excellent placement outcomes, particularly when they possess strong programming, computational, and analytical skills," said Singh.

ट्रैक्टर की टक्कर से साइकिल सवार युवक की स्थिति गंभीर

कालूबथान : कालूबथान ओपी क्षेत्र के बलियापुर-पतलाबाड़ी मुख्य सड़क पर बोंगा मोड़ के समीप बुधवार देर शाम ट्रैक्टर से साइकिल सवार मातलाडीह निवासी विकास मरांडी को जोरदार टक्कर लगी जिससे वह घायल हो गया। कालूबथान पुलिस स्थिति गंभीर देख आंखद्वारा के मुखिया पति तीर्थ सिंह, समाजसेवी जितेन दे के साथ निजी वाहन से एसएनएमएमसीएच धनबाद ले गई। घटना के विरोध में पूर्व मुखिया सष्टिपद सिंह की अगुवाई में लोगों ने सड़क से होकर जाने वाले सभी ट्रैक्टरों को रोक दिया है। (संस)

आज गोविंदपुर क्षेत्र में साढ़े तीन घंटे गुल रहेगी बिजली

गोविंदपुर : गुरुवार को दिन 11 बजे से अपराह्न 2.30 बजे तक 33 केवी इनकमिंग फीडर की सर्किट एक से विद्युत आपूर्ति बाधित रहेगी। डीवीसी द्वारा सब-स्टेशन एवं लाइन मेंटेनेंस कार्य किए जाएंगे। 33/11 केवी पीएसएस खड़काबाद के सभी 11 केवी फीडर्स से विद्युत आपूर्ति बाधित रहेगी। लेकिन पीएसएस आमाघाटा से निकलने वाले सभी 11 केवी फीडर्स से संबंधित क्षेत्रों में रोटेशन पर विद्युत आपूर्ति की जाएगी। (संस)

पूर्णाडीह गांव में अवैध खाद बरामद, वाहन जब्त

टुंडी : जिला कृषि विभाग व टुंडी पुलिस ने बुधवार को कोल्हर पूर्णाडीह के लक्ष्मी भंडार में छापेमारी कर अवैध खाद जब्त किया। यह कार्रवाई जिला कृषि पदाधिकारी अभिषेक मिश्रा व टुंडी थाना के सहायक अवर निरीक्षक उपेन्द्र यादव की अगुवाई में की गई। पुलिस ने बताया कि इस दौरान दुकान के संचालक विकास राम व खाद लदे टाटा मैजिक का चालक भागने में सफल रहा। पुलिस ने टाटा मैजिक पर लदे तीस पैकेट एनपी के 14/280 यूरिया खाद जब्त कर लिया। (संस)

जनसमस्याओं को ले निरसा नागरिक समिति ने सौंपा ज्ञापन

निरसा : निरसा बाजार की बिगड़ती सफाई व्यवस्था एवं सार्वजनिक शौचालयों की चिंताजनक स्थिति सहित अन्य मांगों को लेकर निरसा नागरिक समिति ने बुधवार को बीडीओ इंद्रलाल ओहदार से मिलकर ज्ञापन सौंपा। बीडीओ ने समस्याओं ते समाधान का भरोसा दिया। समिति अध्यक्ष हाजी अफरोज अहमद ने बताया कि प्रखंड परिसर व निरसा हटिया में 40 लाख की लागत से बने सार्वजनिक शौचालय का इस्तेमाल नहीं हो पा रहा। निरसा बाजार की नियमित सफाई नहीं हो पाती है। सुखेंदु दत्ता, सुशील गोयल, सुशील अग्रवाल, मोहन अग्रवाल, मो. हलीम आदि शामिल थे। (संस)

गोविंदपुर को निर्बाध बिजली देने की मांग

संस, जागरण, गोविंदपुर : कार्यपालक विद्युत अभियंता मुकुल कुमार ने गोविंदपुर में पर्याप्त विद्युत आपूर्ति की हर संभव कोशिश का भरोसा दिया है। इसके लिए फकीरडीह के पास स्विच लगेगा, ताकि गड़बड़ी होने पर गोविंदपुर बाजार क्षेत्र की बिजली प्रभावित नहीं हो। बुधवार को नागरिक समिति के प्रतिनिधियों से कार्यपालक अभियंता ने कहा कि वज्रपात से केवल ब्लास्ट होने से बिजली संकट है। बाजार में कई स्थानों पर नया ट्रांसफार्मर लगाना है, परंतु जीटी रोड की जमीन पर भी कोई ट्रांसफार्मर लगाने नहीं दे रहा है। सभी को बिजली चाहिए परंतु घरों के आगे ट्रांसफार्मर लगाने को तैयार नहीं होता। बरियो व बागसुमा में नया सब स्टेशन बनाना है। इससे बाजार फीडर का लोड घटेगा और सभी क्षेत्रों में सुचारू बिजली आपूर्ति होगी। अगस्त महीने में बिजली शिविर लगाया जाएगा। मौके पर राहुल विश्वकर्मा, सुनील कुमार, अनूप साव, याकूब अंसारी, सुनील सरिया, आनंद जायसवाल, जितेश जायसवाल थे।

स्वच्छता, पर्यावरण संरक्षण व स्वरोजगार के प्रति जागरूक कर रहा डीवीसी सीएसआर

संस, जागरण, मैथन: डीवीसी मैथन डैम परियोजना के नैगम सामाजिक दायित्व (सीएसआर) ने भारत सरकार के स्वच्छता पखवाड़ा के अंतर्गत स्वच्छता, स्वास्थ्य, पर्यावरण संरक्षण तथा सामाजिक उत्तरदायित्व को जन-जन तक पहुंचाने के उद्देश्य से कई कार्यक्रम किए।

डीवीसी मैथन के सीएसआर प्रबंधक डा. कौशलेंद्र कुमार ने बताया बुधवार को डीवीसी (सीएसआर), व बीपी नियोगी अस्पताल मैथन ने मिलकर मंगलमारा प्राथमिक विद्यालय में वेक्टर-जनित रोगों पर जागरूकता शिविर लगाया। विभाग ने स्वच्छता पखवाड़े के दौरान विद्यालयों, महाविद्यालयों, ग्रामीण क्षेत्रों व कार्यालय परिसरों में विद्यार्थियों, महिलाओं, ग्रामीणों, कर्मचारियों व आम नागरिकों को स्वच्छता, स्वस्थ व हरित जीवनशैली अपनाने के प्रति प्रेरित किया है। इन कार्यक्रमों का संचालन डीवीसी मैथन के परियोजना प्रधान सुबीर कुमार साहा के मार्गदर्शन व सीएसआर, असैनिक विभाग तथा बीपी नियोगी अस्पताल मैथन के समन्वित प्रयासों से किया गया।

कहा कि स्वच्छता पखवाड़ा में डीवीसी मध्य विद्यालय (डाईक एरिया), डीवीसी प्लस टू उच्च विद्यालय (राइट बैंक) तथा डीवीसी प्लस टू उच्च विद्यालय (लेफ्ट बैंक) में चित्रांकन व भाषण प्रतियोगिता कराई। विद्यार्थियों ने स्वच्छता, पर्यावरण संरक्षण, प्लास्टिक मुक्त भारत व स्वस्थ जीवनशैली जैसे विषयों पर अपनी रचनात्मक प्रतिभा का प्रदर्शन किया। डीवीसी मध्य विद्यालय में हुई प्रतियोगिता में चित्रांकन वर्ग में दिव्या कुमारी ने प्रथम, पलक कुमारी ने द्वितीय तथा प्रिया मंडल ने तृतीय स्थान प्राप्त किया। भाषण प्रतियोगिता में कुमारी करणिका प्रथम, परिणिता यादव द्वितीय एवं रिक्ता शर्मा तृतीय स्थान पर रहीं।

स्वच्छता पखवाड़े के दौरान बासकेटिया, माताडीह, गोगना, कालीपहाड़ी, चंद्रदीपा तथा अन्य ग्रामीण क्षेत्रों में विशेष सफाई अभियान चला। ग्रामीणों, महिलाओं, विद्यार्थियों एवं अधिकारियों ने स्वयं झाड़ू लगाकर स्वच्छता का संदेश दिया। सीएसआर केंद्र में "वेस्ट टू वेल्थ" विषय पर निर्मित उपयोगी एवं आकर्षक वस्तुओं की प्रदर्शनी लगाई गई। स्थानीय महिलाओं ने अपशिष्ट सामग्री से तैयार उपयोगी वस्तुओं का प्रदर्शन कर पर्यावरण संरक्षण का संदेश दिया।

बीएसके कालेज व चंद्रदीपा ग्राम में मासिक धर्म स्वच्छता व डायरिया से बचाव पर नुक्कड़ नाटक किया गया। चंद्रदीपा गांव में ग्रामीणों को डायरिया से बचाव, स्वच्छ पेयजल, हाथ धोने की आदत तथा व्यक्तिगत स्वच्छता के महत्व के बारे में जानकारी दी गई। महिलाओं के बीच सेनिटरी पैड बांटा गया। गोगना गांव व कालीपहाड़ी बस स्टैंड परिसर में एकल उपयोग प्लास्टिक के विरुद्ध जागरूकता अभियान, सफाई निरीक्षण व रखरखाव कार्यक्रम किए गए। ग्रामीणों को प्लास्टिक का उपयोग कम करने के लिए प्रेरित किया गया।

युवाओं को प्रोत्साहित करने के लिए खेल सामग्री जर्सी, कैप, फुटबाल व वालीबाल का वितरण किया गया। मंगलमारा ग्राम के नया प्राथमिक विद्यालय परिसर में पौधारोपण किया गया तथा ग्रामीणों को फलदार पौधे दिए गए। स्वच्छता अभियान में उल्लेखनीय योगदान देनेवाले सफाई प्रहरियों को सम्मानित किया गया। स्वच्छता संदेश को जन-जन तक पहुंचाने के उद्देश्य से आकर्षक सेल्फी प्वाइंट की स्थापना की गई।

'बड़े भाई के प्रति भरत जैसा प्रेम रखे छोटा भाई'

कंचनडीह में राजन जी महाराज सुना रहे रामकथा, साबलपुर में श्रीमद्भागवत का रसपान करा रहे सुरेन्द्र हरिदास

संस, जागरण, मुगमा : निरसा क्षेत्र के कंचनडीह में चल रही श्रीराम कथा में बुधवार को राजन जी महाराज ने भरत चरित्र का मार्मिक व प्रेरणादायी वर्णन किया। भरत-प्रेम की अमृतधारा सुनकर श्रद्धालु भावविभोर हो गए। महाराज ने कहा कि भगवान श्रीराम का वनवास माता-पिता की आज्ञा का पालन था। माता जानकी पत्नी-धर्म का निर्वाह कर रही थीं और लक्ष्मण सेवक धर्म निभा रहे थे। किंतु भरत का वनगमन केवल एक ही उद्देश्य से था श्रीराम, माता जानकी और लक्ष्मण को अयोध्या वापस लाना।

यह प्रेम-धर्म है और समस्त धर्मों में सर्वोच्च एवं पवित्र है। प्रेम-धर्म में नियम गौण हो जाते हैं। शेष रह जाता है तो केवल निष्कलंक प्रेम। भरत का चरित्र त्याग, विनम्रता, समर्पण और भातृ-प्रेम का सर्वोच्च आदर्श है। प्रत्येक छोटे भाई को भरत जैसा प्रेम अपने बड़े भाई के प्रति रखना चाहिए। परंतु ऐसा प्रेम तभी जन्म लेता है जब बड़े भाई का स्नेह, विश्वास और प्रेरणा भी वैसी ही हो। आज के पारिवारिक परिवेश पर चिंता व्यक्त करते हुए महाराज ने कहा कि अनेक परिवारों में भाई-भाई के बीच प्रेम और आत्मीयता का अभाव दिखाई देता है। ऐसे समय में भरत का चरित्र हमें भारतीय संस्कृति के उन आदर्शों की याद दिलाता है। जहां भाईचारे का संबंध त्याग और समर्पण पर आधारित था। उन्होंने कहा कि जिन घरों में भाई-भाई साथ बैठकर हंसते हैं, प्रेमपूर्वक संवाद करते हैं और एक-दूसरे का सम्मान करते हैं। उन घरों को किसी डाक्टर की आवश्यकता नहीं पड़ती।

हरियाजाम कालोनी में बजरंगबली मंदिर का वार्षिकोत्सव आज से

संस, जागरण, निरसा : हरियाजाम कालोनी में बजरंगबली मंदिर का 18वां वार्षिकोत्सव 23-24 जुलाई को मनेगा। मंदिर में अखंड हरिनाम संकीर्तन होगा। मंदिर कमेटी के सदस्यों ने कहा कि इस वर्ष मंदिर का वार्षिकोत्सव विशेष होगा, क्योंकि कुंथोल से भगवान जगन्नाथ, भाई बलभद्र एवं बहन सुभद्रा बजरंगबली मंदिर में पधारे हैं। 24 जुलाई को भक्तों को दर्शन देकर अपने धाम लौटेंगे। मौके पर आलोक वैश्य, जगदीश पोद्दार, अशोक अग्रवाल, हरिराम खेड़िया, विजय शर्मा, नकुल रवानी, शिबू रवानी, श्यामापद रवानी, गौर रवानी, मनोज थानेदार, दिलीप दास, जगदीश रवानी आदि थे।

सच्ची भक्ति व दान से होती ईश्वर की कृपा

संस, जागरण गोविंदपुर : साबलपुर में श्रीमद्भागवत कथा के चौथे दिन बुधवार को भागवत मर्मज्ञ सुरेन्द्र हरिदास ने वामन भगवान और राजा बलि का प्रसंग सुनाते हुए कहा कि राजा बलि अत्यंत शक्तिशाली और दानी असुर राजा थे। अपने पराक्रम से तीनों लोकों पर अधिकार कर लिया था। उनके अहंकार को समाप्त करने और देवताओं के कल्याण के लिए भगवान विष्णु ने वामन रूप में अवतार लिया।

वामन भगवान एक छोटे से ब्राह्मण बालक के रूप में राजा बलि के यज्ञ में पहुंचे और उनसे केवल तीन पग भूमि का दान मांगकर उनके अंहकार को खत्म किया। यह प्रसंग हमें यह सिखाता है कि अहंकार का अंत निश्चित है। सच्ची भक्ति, दान और सत्य ही मनुष्य को ईश्वर की कृपा दिलाते हैं।

कथा कहते सुरेंद्र हरिदास ● सौः समिति

भाजपा प्रवासी कार्यकर्ता बैठक में संगठन मजबूती पर रहा जोर

संस, जागरण गोविंदपुर: धनबाद ग्रामीण, महानगर एवं बोकारो जिले के मंडल प्रवासी कार्यकर्ता बैठक गोविंदपुर राज विलास रिसोर्ट में हुई। बैठक में संगठन महामंत्री कर्मबीर ने कहा कि हमें बूथ स्तर तक संगठन को मजबूत बनाना है। आगामी विधानसभा चुनाव में झारखंड में भाजपा की सरकार बनेगी।

प्रदेश महामंत्री गणेश मिश्रा ने कहा कि भाजपा कार्यकर्ता समर्पित रूप में राष्ट्र सेवा में लगे हुए हैं। प्रदेश से लेकर बूथ स्तर तक भाजपा के निष्ठावान कार्यकर्ता समाजसेवा में लगे रहते हैं। संचालन प्रदेश मंत्री सरोज सिंह एवं स्वागत भाषण जिलाध्यक्ष मोहन कुंभकार ने किया। झरिया विधायक रागिनी सिंह, बाघमारा विधायक शत्रुघ्न महतो, प्रदेश मंत्री सह ग्रामीण जिला प्रभारी दिलीप वर्मा, महानगर अध्यक्ष श्रवण राय, बोकारो अध्यक्ष सुरेंद्र, पूर्व सांसद रवींद्र पांडेय, पूर्व विधायक फूलचंद मंडल, अपर्णा सेनगुप्ता, विरंची नारायण, प्रदेश कार्यसमिति सदस्य धर्मजीत सिंह, ज्ञानरंजन सिन्हा, सत्येन्द्र कुमार, संजीव अग्रवाल, तारा देवी, विकास महतो, नंदलाल अग्रवाल आदि उपस्थित थे।

प्रवासी कार्यकर्ता बैठक में कर्मबीर सिंह व गणेश मिश्रा ● जागरण

हादसे में मृत कार्यकर्ता के घर पहुंचे विधायक अरूप

संस, जागरण, मैथन: सड़क दुर्घटना में घायल भाकपा माले के 25 वर्षीय कार्यकर्ता वसीम उर्फ मोनू की मौत की खबर पाकर बुधवार को निरसा विधायक अरूप चटर्जी मैथन एरिया तीन नंबर स्थित पीड़ित परिवार के घर पहुंचे। उन्होंने मोनू के पार्थिव शरीर पर पार्टी का झंडा ओढ़ाकर एवं श्रद्धासुमन अर्पित कर सम्मान दिया। गौरतलब है कि मैथन ओपी क्षेत्र के जोड़ा मंदिर के समीप एनएच-19 पर सोमवार सुबह नौ बजे हुई सड़क दुर्घटना में वसीम उर्फ मोनू गंभीर रूप से घायल हो गया था। उसका इलाज धनबाद के असर्फी अस्पताल में चल रहा था। मंगलवार देर शाम उसकी मौत हो गई। बुधवार को शव लाया गया।

प्रबंधन से वार्ता के बाद काम पर लौटे एफजीटी प्लांट के मजदूर

संस, जागरण, निरसा : एमपीएल स्थित एफजीटी प्लांट में रोजगार बचाने को लेकर चल रहा टूल डाउन आंदोलन पांचवें दिन बुधवार को समाप्त हो गया। प्रबंधन ने आश्वासन दिया कि 15 दिनों के अंदर बैठकर सभी मामले का समाधान कर लिया जाएगा। इसके बाद मजदूर काम पर लौट गए।
