Subject: Advance intimation regarding price increase

Dear Sir(s),

You are kindly informed that in view of the continuous sustained increase in input costs, the Company has decided to increase the prices of its models across its portfolio by up to Rs. 30,000. This increase in prices would come into effect in August 2026.

For the past few months, the Company has been making continuous efforts to mitigate the cost impact to the extent possible through cost reduction measures. However, with inflationary burdens now at elevated levels and the adverse cost environment continuing, the Company is constrained to pass on a portion of the increased costs to the market, while continuing to ensure that the impact on customers is kept to the minimum extent possible.

The exact quantum of change will vary from model to model.

Kindly take the same on record.

Thanking You,

Yours truly,

For **Maruti Suzuki India Limited**
