- Effective 21 November 2025, The Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes collectively referred to as the 'New Labour Codes'. The Group continues to monitor the finalisation of central and state rules, as well as Government clarifications on aspects of Labour Codes, and will incorporate accounting treatments, if any, based on these developments.
- The Group is engaged in the business of providing software solutions to the global airline and travel industry. The Group's Chief Operating Decision Makers (which includes the Managing Director and members of the Board of Directors of the holding company) monitor and review the operating results of the Group as a whole.
