A New Sentinel for the Seas: INS Mahendragiri Commissioned into the Indian Navy

In a landmark moment for India's maritime security and indigenous defence capabilities, INS Mahendragiri, an advanced stealth frigate constructed by Mazagon Dock Shipbuilders Limited (MDL), was formally commissioned into the Indian Navy at Visakhapatnam on Saturday, 11 July 2026. The commissioning ceremony was graced by the Hon'ble Raksha Mantri, Shri Rajnath Singh, marking yet another proud milestone in India's journey towards Atmanirbharta in Defence and the Government of India's vision of building a self-reliant defence ecosystem. Designed and built under Project 17A, INS Mahendragiri is the fourth ship of Nilgiri class stealth frigates built by MDL and represents a major leap forward in indigenous naval engineering. The basic design of the ship was developed by the Indian Navy's in-house design organisation, the Warship Design Bureau (WDB), while the detailed design and construction were undertaken by MDL, Mumbai. Every stage of construction was closely supervised by the Warship Overseeing Team (Mumbai), ensuring uncompromising adherence to the most stringent naval standards and quality benchmarks. The commissioning of INS Mahendragiri reflects MDL's unwavering commitment to the Government of India's flagship initiatives of Atmanirbhar Bharat Abhiyan and Make in India, aimed at achieving self-reliance in defence manufacturing and reducing dependence on foreign technologies. With approximately 75% indigenous content, the ship stands as a powerful testament to India's growing prowess in indigenous warship design, construction and systems integration. The successful induction of INS Mahendragiri firmly reinforces India's emergence as a leading maritime power with the proven capability to design, build and deliver complex frontline warships through indigenous expertise, innovation and technological excellence

JNPA to Develop State-of-the-Art Empty Container Yard in Its Premises Near Nhava Sheva

Jawaharlal Nehru Port Authority (JNPA) - India's largest container port, has entered into License Agreement with RSA Global for the development of a state-of-the-art Empty Container Yard (ECY) at JNPA. The upcoming facility is envisioned as a major addition to the port's logistics ecosystem, offering shipping lines, transporters and the trade community a world-class solution for efficient empty container management. It is strategically located just 3 km from the terminals at Nhava Sheva. The JNPA-authorised Empty Container Yard will spread across 62 acres on a 30-year lease. Designed with advanced infrastructure, automation, and sustainability at its core, the facility will support faster turnaround, improved asset utilization, and enhanced operational reliability for the maritime logistics sector. The Empty Container Yard will be developed in a phased manner to ensure the timely commencement of operations while progressively enhancing capacity and automation. Phase I, comprising approximately 20 acres, is expected to be operational within 15–20 days, enabling storage and core yard operations. Phase II will add another 20 acres by January 2027, followed by the development of the remaining 21.7 acres under Phase III by May 2027, completing the 62-acre facility. The project will also introduce advanced technologies in phases, including gate automation, AI-enabled CCTV surveillance, a Yard Management System (YMS), an intelligent bay allocation system, driver utility facilities, and 'Container Eye' for automation of maintenance and repair (M&R) processes, delivering greater efficiency, visibility and operational control.

UPDATE (CR)

NOC from Railways mandatory for any construction within 30 meters of railway land

Central Railway hereby informs the general public that as per Railway Board's Letter No. 2015/LML-I/19/2 dated 25.06.2015 and Para 3.1.4 of the Unified Development Control and Promotion Regulations (UDCPR), it is mandatory to obtain a No Objection Certificate (NOC) from the Railway Administration prior to undertaking any construction within 30 metres of Railway land boundary. During recent inspections by Railway officials, it has been observed that several buildings and other structures have been constructed in the vicinity of the proposed railway alignment, particularly within 30 metres of Railway land, without obtaining the requisite NOC. The sharp increase in such constructions during the land acquisition process is a matter of serious concern. Unauthorized constructions can adversely affect the timely execution of Railway projects, delay the land acquisition process, and lead to disputes regarding compensation and eligibility. To maintain accurate records, the Railway Administration is conducting drone and video surveys of the project corridor. All Gram Panchayats, Municipal Councils, Planning Authorities, and other Local Bodies are requested not to grant building permissions or approve development proposals within 30 metres of Railway land without verifying the mandatory Railway NOC.

IMC Convenes First IMC MSME Champions Meeting to strengthen MSME Ecosystem

Building on the overwhelming response to the launch of IMC MSME Champions 2026 on the World MSME Day, the IMC Chamber of Commerce and Industry (IMC) convened the first IMC MSME Champions meeting, bringing together the IMC MSME Champions for an engaging and solution-oriented dialogue on business growth, expansion opportunities, industry challenges and policy reforms. The meeting marked the next phase of the IMC MSME Champions initiative, moving beyond recognition to meaningful industry engagement. It provided a platform for entrepreneurs to share their business challenges, growth aspirations and policy recommendations with IMC, enabling the Chamber to consolidate these industry insights and represent them before the respective Government bodies and relevant Ministries. The objective was to ensure that the genuine concerns and suggestions of MSMEs are translated into actionable policy recommendations that support business growth, competitiveness and ease of doing business. A key objective of the meeting was to develop a structured industry agenda for IMC's Engage Maharashtra Forum, the Chamber's dedicated platform for policy advocacy with the Government of Maharashtra.

India falter in second ODI

Root's unbeaten knock helps England win by four wickets

Agencies
Cardiff

England bounced back in style with a four-wicket win to level the ODI series 1-1. Their victory was set up by a superb bowling effort, as their pace attack bowled India out for just 233. Jofra Archer and Gus Atkinson claimed three wickets each, while England's seamers kept India under pressure throughout.

India's innings revolved around Virat Kohli and Shreyas Iyer, the only batters to make substantial contributions. Kohli anchored the innings with a composed half-century, while Iyer added a valuable 66. A late burst from Jasprit Bumrah gave India some extra runs, but the total still felt below par on a helpful surface.

Joe Root hit an unbeaten 99 as England levelled series 1-1.

India hit back early in the chase, with Bumrah removing Ben Duckett off the first ball and Prasidh Krishna dismissing Jacob Bethell to put England under pressure. But once the ball softened, Joe Root took complete control.

Root was the difference between the two sides -- calm, classy and unflappable. He guided the chase with a brilliant unbeaten 99*, rotating the strike effortlessly and punishing loose deliveries. Support from Sam Curran, Will Jacks and Gus Atkinson ensured England stayed ahead throughout.

Root may have missed out on a century by just one run, but his match-winning knock was a masterclass in chasing under pressure.

With the series tied at 1-1, all eyes now turn to Lord's for a thrilling decider.

Two-time Olympic medallist PV Sindhu produced one of her best performances of the season to outclass world No 5 Han Yue of China in straight games and storm into the quarterfinals of the Japan Open Super 750 badminton tournament here on Thursday.

The world No 10 Indian needed just 35 minutes to register a commanding 21-16, 21-14 win over the higher-ranked Chinese shuttler in their second-round contest.

With the victory, Sindhu improved her head-to-head record against Han to 8-1.

The 31-year-old will next face familiar rival Nozomi Okuhara of Japan, who received a walkover after top seed An Se-young of South Korea withdrew from their second-round match.

Sindhu is now India's lone survivor in the tournament after the mixed doubles pair of Tanisha Crasto and Dhruv Kapila bowed out in the pre-quarterfinals.

The Indian duo fought hard before losing 20-22, 17-21 to top seeds Feng Yan Zhe and Huang Dong Ping of China in their round-of-16 clash in 47 minutes.

India U-17 women drawn with Iraq, Syria

PTI
Kuala Lumpur

The Indian Under-17 women's football team has been drawn with Malaysia, Syria and Iraq in Group E of the AFC Under-17 Asian Cup Qualifiers to be held here from October 5 to 11.

The draw was conducted at the AFC (Asian Football Confederation) House here on Thursday. India will begin their campaign against Iraq, followed by a match against Syria, and then Malaysia.

The group winners will qualify for the Under-17 Women's Asian Cup in Suzhou, China from March 31 to April 17 next year.

The Indian team had made a historic first-ever knockout stage appearance in the previous edition and will aim to qualify for back-to-back AFC U17 Women's Asian Cups for the first time.

The teams will compete in the Qualifiers in a single round-robin centralised league format.

The eight group winners will advance to the 11th edition of the Finals where they will be joined by the top four finishers from the 2026 campaign who have directly qualified.

Defending champions North Korea, runners-up Japan, and semifinalists Australia and China are the direct qualifiers.

The semifinalists of the women's Asian Cup will qualify for the FIFA Under-17 women's World Cup in Morocco next year.

Lord's ODI could be Rohit's final game

PTI
New Delhi

The third ODI between India and England at Lord's on Sunday could be Rohit Sharma's final game in international cricket with the national selection committee unlikely to pick the white-ball great beyond the ongoing series in the UK.

In the last eight ODIs, Rohit has totalled only 241 runs at an average of 30.1 and a strike-rate of 88.6 with one half-century.

"The national selectors are keen that Yashasvi Jaiswal who scored two hundreds in three innings get a longer rope. There are around 20 games and Jaiswal needs to be given those 20 games," a senior BCCI source privy to selection matters said on conditions of anonymity.

Unbeaten Dempo face Dabang Delhi

NT Reporter
Panaji

Dempo Goa Challengers will put their unbeaten start on the line when they face Dabang Delhi TTC in Butterfly Ultimate Table Tennis (UTT) Season 7 at the Dr Shyama Prasad Mukherjee Indoor Stadium on Friday.

The clash revives a familiar rivalry between two former champions, with Goa entering the contest on the back of three successive victories. Delhi, meanwhile, will be eager to bounce back after suffering their first setback of the campaign against U Mumba TT.

Goa's charge has been led by teenage sensation Abhinandh PB, who remains unbeaten and has accumulated 88 men's points, second only to teammate Alvaro Robles, the league leader with 89 points. Bernadette Szocs is also expected to play a pivotal role as the Challengers seek to extend their winning run.

With valuable points at stake in the race for the playoffs, Goa will be aiming to maintain their momentum against one of the league's strongest outfits.

Norris hit with 10-place grid penalty

AP
Spa-Francorchamps

Lando Norris' faltering Formula 1 title defence hit another setback on Thursday as McLaren confirmed he will get a 10-place grid penalty for the Belgian Grand Prix.

Norris is paying the price for poor reliability earlier in the season of the electronics which manage his car's hybrid power systems.

Norris lost two of the units to failures, including a breakdown which left him unable to start the Chinese Grand Prix.
