PRESS RELEASE

Hon'ble Prime Minister of India Shri Narendra Modi Inaugurates Advanced Mother and Child Centre at PGIMER, Chandigarh, Supported by Infosys Foundation

- *Infosys Foundation commits over INR 147 crore towards critical medical equipment for the institute's Advanced Mother and Child Center*
- *Over 25,000 pregnant women and newborns expected to benefit annually*

Bengaluru, India – July 22, 2026: [Infosys Foundation](#), the philanthropic and CSR arm of [Infosys](#), today announced the inauguration of an advanced mother and neonatal care facilities wing at the [Postgraduate Institute of Medical Education and Research \(PGIMER\), Chandigarh](#), which will help strengthen the institute's maternity and neonatal care facilities. Through this collaboration, Infosys Foundation committed a grant of over INR 147 crore towards critical medical equipment for the institute's newly opened Advanced Mother and Child Centre (AMCC), which will help reduce maternal and neonatal mortality rates and provide low-income families access to high-quality and affordable healthcare.

The Advanced Mother and Child Centre (AMCC) was inaugurated by the **Hon'ble Prime Minister of India, Shri Narendra Modi**, in the presence of; **Shri Gulab Chand Kataria, Hon'ble Governor of Punjab & Administrator, UT Chandigarh; Shri J.P. Nadda, Hon'ble Union Minister for Health and Family Welfare; Shri Ashwini Vaishnaw, Union Minister for Railways; Shri Manish Tewari, Member of Parliament, Chandigarh; Mr. Sunil Kumar Dhareshwar, Trustee, Infosys Foundation; Prof Vivek Lal, Director, PGIMER**, along with other senior government officials and executives.

The AMCC is equipped with triage and emergency services for pregnant women, labor and delivery units, resuscitation facilities, obstetric intensive care and high dependency units for specialized care, neonatal intensive care units, modular operation theatres, a blood bank, a human milk bank, and a kangaroo mother care ward, among other care facilities. The center will aim to benefit over 25,000 pregnant women and newborns annually.

Prof Vivek Lal, Director, Postgraduate Institute of Medical Education and Research, Chandigarh, said, "Strengthening maternal and neonatal healthcare remains a national priority as India works towards building a healthier and more inclusive future. I am deeply indebted to the Hon'ble Prime Minister of India, Shri Narendra Modi ji, Hon'ble Union Minister for Health and Family Welfare, Shri J.P. Nadda Ji, and the Ministry of Health and Family Welfare, for having dedicated this Advanced Mother and Child Center (AMCC), at the Postgraduate Institute of Medical Education and Research, Chandigarh, to the nation. This center will play an important role in expanding access to quality care for mothers and newborns. The Ayushman Scheme launched by the Hon'ble Prime Minister and the Hon'ble Union Minister for Health and

Family Welfare, is providing cutting edge healthcare free of cost to underprivileged patients. I deeply appreciate the contribution of Infosys Foundation in their ongoing endeavor in strengthening healthcare across India to positively impact the underserved communities.”

Sunil Kumar Dhareshwar, Trustee, Infosys Foundation, said “The great strides that India is making in its socio-economic development must be supplemented by advancements in healthcare facilities to build a stronger nation. Our support to PGIMER is in line with the Infosys Foundation’s commitment to supporting transformative healthcare initiatives that are inclusive and create a lasting impact on society. By providing sophisticated critical care medical equipment to AMCC, we aim to provide enhanced support towards maternal and neonatal care.”

About Infosys Foundation

Established in 1996, Infosys Foundation supports programs in the areas of education, healthcare, women empowerment, and environmental sustainability, amongst others. Its mission is to work with the underprivileged across the country and strive towards a more equitable society. Infosys Foundation takes pride in working with all sections of society, selecting projects with infinite care, and working in areas that are traditionally overlooked by society at large.
