Annexure A

Details as per SEBI Circular

1	Insurance amount claimed and realized by the listed entity for the loss/damage;	The fourth on-account payment of Rs. 15 Crore has been released, with the further settlement to be determined in various stages following the completion of the assessment. The total on- account claim received till date is Rs. 155 Crore including this claim.
2	The actual amount of damage caused due to the natural calamity or other force majeure events.	The Company has recognised a loss of Rs 348.16 Crore (Rs. 362.90 Crore on consolidated basis) on account of damage to certain property, plant & equipment, inventory and estimated cost of incidental charges. The Company has recognised an insurance claim receivable of Rs 334.60 Crore (Rs. 348.82 Crore on consolidated basis) to the extent of recovery of loss after adjusting applicable deductibility considering its assessment of loss and admissibility of claims as per the policy, adequacy of coverage and nature of loss. The Company has not accounted for a claim for loss of profit due to business interruption and excess value of reinstatement of assets over written down value as per accounting conservatism. The aforementioned losses and corresponding insurance claim have been considered on a net basis as Rs 13.56 Crore (Rs. 14.08 Crore on consolidated basis), in FY 2024-25. Till date the company has received Rs. 9.38 Crore on sale of salvaged scrap and incurred further incidental charges of Rs. 1.41 Crore which is also claimed as per insurance policy.
3	Details of steps taken to restore normalcy and the impact of the natural calamity/other force majeure events on production or service, financials of the entity.	In continuation to our intimation dated April 23, 2025, we submit that the Production/Operation of the Multi-Purpose Plant (MPP3)- Facility, the warehouse and tank farms which were affected in fire is suspended temporarily. Construction of the replacement plant progressing rapidly, with commissioning scheduled for H1FY27. In the interim, the Company has shifted production of critical select specialty products to other sites based on approval from customers. This, combined with the planned expansion in Patancheru Plant, will help minimize the impact on earnings going ahead to minimize business disruption.
