Dear Sir/Madam,

Subject: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Update on Temporary Disruption of Operations due to Heavy Rainfall

In continuation of the above, we wish to inform you that the water level at the manufacturing facility located at 778/6, Pramukh Industrial Estate, Sola-Santej Road, Rakanpur, Ta. Kalol, Dist. Gandhinagar has receded. Consequently, power supply and other essential utilities have been restored, enabling the Company to gradually resume production operations at the said facility with effect from July 29, 2026.

At present, certain departments of the manufacturing facility have resumed normal operations, while restoration and recommissioning activities are continuing in other sections where machinery and equipment were heavily affected due to the flooding. The Company is making all necessary efforts to restore full operational capacity at the earliest and will keep the Stock Exchanges informed of any further material developments in this regard.

Kindly take the above information on record.

Thanking you,
Yours faithfully,
For Shilp Gravures Limited
