13 MANAGEMENT DISCUSSION AND ANALYSIS ON THE LIKELY IMPACT OF THE BUYBACK ON THE COMPANY

13.1 The Buyback is expected to enhance overall long-term shareholders' value for continuing shareholders, without compromising on the future growth opportunities of the Company, as well as provide an exit opportunity to the public shareholders. The Buyback is not likely to cause any material adverse impact on the earnings of the Company, except a reduction in the treasury income which the Company could have otherwise earned from investments. The Company will also bear the cost of the Buyback transaction.

13.2 The Buyback is proposed, considering the accumulated surplus funds available with the Company, after considering the funds required for future growth of the Company as envisaged by the Board.

13.3 The Buyback will be funded out of the internal accruals of the Company including free reserves of the Company, in accordance with Section 68(1) of the Companies Act and Regulation 4(ix) of the Buyback Regulations.

13.4 The Buyback will lead to reduction in existing Equity Shares and consequently, is expected to improve the 'earnings per share' and enhance return on equity, assuming that the Company would earn similar profits as in the past.

13.5 Pursuant to Regulation 16(ii) of the Buyback Regulations, the Promoters, members of the Promoter group and Persons in Control of the Company will not participate in the Buyback. The Buyback will not result in a change in control or otherwise affect the existing management structure of the Company.

13.6 Consequent to the Buyback (which excludes participation by the Promoters, members of the Promoter group and persons in control of the Company) and based on the number of Equity Shares bought back by the Company from the shareholders including resident outside India, erstwhile overseas corporate bodies, foreign portfolio investors and non-resident Indian shareholders, the shareholding pattern of the Company would undergo a change; however public shareholding shall not fall below 25% of the total fully paid up equity share capital of the Company.

13.7 The Company shall not issue any Equity Shares or other securities including by way of bonus issue, till the date of expiry of the Buyback period in accordance with the applicable provisions of the Companies Act and the Buyback Regulations. As per Section 68(8) of the Companies Act , the Company shall not make any further issue of the same kind of shares or other securities including allotment of new shares or other specified securities within a period of 6 (six) months after the completion of the Buyback except by way of bonus shares or equity shares issued in order to discharge subsisting obligations such as conversion of warrants, stock option schemes, sweat equity or conversion of preference shares or debentures into Equity Shares. Further, in accordance with Regulation 24(i)(f) of the Buyback Regulations, the Company shall not raise further capital for a period of 1 (one) year from the expiry of the Buyback period, except in discharge of its subsisting obligations.

13.8 Unless otherwise determined by the Board or Buyback Committee or as may be directed by the Appropriate Authorities, the Buyback will be completed within a maximum period of sixty six Working Days from the date of opening of the Buyback. In accordance with Buyback Regulations, the Company shall not withdraw the Buyback once this Public Announcement has been made.

14 STATUTORY APPROVALS

14.1 Pursuant to Sections 68, 69, 70, and all other applicable provisions of the Companies Act and applicable Rules thereunder and the provisions of the Buyback Regulations and Article 5 of the Articles of Association of the Company, the Company has obtained the Board approval as mentioned above.

14.2 Buyback from each shareholder is subject to all statutory consents and approvals as may be required by such shareholder under applicable laws and regulations. The shareholders shall be solely responsible for obtaining all such statutory consents and approvals (including, without limitation the approvals from the Reserve Bank of India and / or SEBI, if any) as may be required by them in order to sell their Equity Shares to the Company pursuant to the Buyback. Shareholders would be required to provide copies of all such consents and approvals obtained by them to the Company's Broker.

14.3 The Buyback from erstwhile overseas corporate bodies and other applicable categories shall be subject to such approvals of the Reserve Bank of India, if any, under the Foreign Exchange Management Act, 1999 and the rules and regulations framed thereunder, as amended from time to time.

14.4 To the best of the knowledge of the Company, no other statutory approvals are required by it for the Buyback as on the date of this Public Announcement. Subject to the obligation of the shareholders to obtain the consents and approvals necessary for transfer of their Equity Shares to the Company, the Company shall obtain such statutory approvals as may be required, from time to time, if any, for completion of the Company's obligations in relation to the Buyback.

15 COLLECTION AND BIDDING CENTERS

The Buyback will be implemented by the Company by way of open market purchases through the Stock Exchanges using their nationwide trading terminals. Therefore, the requirement of having collection centres and bidding centres is not applicable.
