11. Recommendation on the Delisting Offer, as to whether the Delisting Offer is fair and reasonable	Based on the review of IPA issued by the Manager to the Delisting Offer on behalf of the Acquirer, DPA and LOF has been issued by Mr. Abhishek Saraf ("Acquirer"), part of the Promoter Group, the Due Diligence Report of the Peer Review Company Secretary and based on Floor Price certificate issued by Mr. Suman Kumar Verma, an IBI Registered valuer bearing Registration No. IBI/RV/05/2019/12376, the members of the IDC believe that the Delisting Offer, is in accordance with the SEBI Delisting Regulations and to that extent, is fair and reasonable.	

12. Summary of reasons for recommendation (IDC may also invite attention to any other place, e.g. company's website, whether its detailed recommendations along with written advice of the independent adviser, if any, can be seen by the shareholders)	The members of the IDC have considered the following reasons provided by the Acquirer in the IPA for making recommendations: a) The proposed delisting would enable the members of the Promoter Group to obtain full ownership of the Company, which in turn will provide enhanced operational flexibility. As the Company will no longer remain listed, there will be reduction in dedicated management time to comply with the requirements associated with continued listing of equity shares, which can be refocused to its business. b) The delisting proposal will enhance the Company's operational, financial and strategic flexibility including but not limited to corporate restructurings, acquisitions, exploring new financing structures, including financial support from the Promoter Group; c) The proposed delisting will result in reduction of the ongoing substantial compliance costs which includes the costs associated with listing of equity shares such as annual listing fee and fees payable to share transfer agents, expenses towards shareholders' servicing and such other expenses required to be incurred as per the applicable securities law; d) The shares of the Company are infrequently traded on the stock exchange. The delisting proposal is in the interest of the Public Shareholders as it will provide them an opportunity to exit from the Company at a price determined in accordance with the Delisting Regulations, providing immediate liquidity and uncertainty associated with infrequently traded shares. Based on the review of IPA, DPA and LOF issued by the Manager to the Delisting Offer on behalf of the Acquirer, Due Diligence Report of the Peer Review Company Secretary and the above reasons for delisting, the members of IDC are of the opinion that the Delisting Offer is fair and reasonable and in the interest of the Public Shareholders of the Company. Besides other factors, the members of the IDC specially took note of the fact that the Delisting Offer will provide the Public Shareholders an opportunity to realize immediately a certain value for their share at a time of uncertainty associated with infrequently traded shares. IDC recommends the public shareholders to bid their shares at their preferred price in reverse book building as the Floor Price announced by the Promoter Acquirer is only indicative. The IDC, however, suggests that the Public Shareholders of the Company should independently evaluate the Delisting Offer and take informed decision in respect of the Delisting Offer. This statement of recommendation will be available on the website of the Company at www.avadrail.com . The recommendations were unanimously approved by the members of IDC.
