Independent Auditor's Review Report on the Standalone Unaudited Quarterly Financial Results and Year to Date Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To
The Board of Directors,
Foundry Fuel Products Limited
7C, Acharya Jagadish Chandra Bose Road 1st Floor,
Kolkata, West Bengal- 700017

We have reviewed the quarterly unaudited standalone financial results of Foundry Fuel Products Limited (the company) for the, Quarter ended June 30, 2026. The statement is being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing obligations and Disclosure Requirements) Regulations 2015 as amended ("Listing Regulations").

This statement which is the responsibility of the Company's Management and approved by the Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 Interim Financial Reporting (Ind AS 34), prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India.

Our responsibility is to issue a report on the statement based on our review.

We conducted our review of the Statement accordance with the revised standard on Review Engagement (SRE) 2410 'Review of Interim Financial Information performed by the Independent Auditor of the Entity' issued the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as about

whether the statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the aforesaid Indian accounting standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as modified by Circular No CIR/ CFD/ FAC/ 62/ 2016 dated July 5, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

We draw attention to Note 4 to the Statement, the Company is looking for a new suitable business project. In view of no business operations, the Company has incurred loss on account of administrative and other expenses and its net worth has also become negative. Further, current liabilities are more than current assets as at current quarter end, previous quarters' end and previous years' end. Also, depreciable fixed assets have been fully depreciated in the earlier year considering no significant recoverable value. The Company has received commitment from holding company for infusing the funds as and when required for any working capital requirements or any other shortfall that may arise due to the lack of operations in the Company. Considering the same, in the opinion of management, accounts are prepared on going concern.

Our conclusion is not modified in respect of this matter. In respect of this matter, attention was also drawn under (a) Emphasis of Matters in limited review reports for quarters ended 31st December 2014 to 31st December 2017 (b) Emphasis of Matters in audit report issued by previous auditors under the Companies Act, 2013 for the year ended 31st March 2015 to 31st March 2018 and (c) Material Uncertainty Related to Going Concern paragraph in audit report issued for the year ended 31st March 2018 to 31st March 2026 and limited review reports for the quarters ended 30th June 2018 to 31st March 2026. Their conclusion / opinion was also not modified in respect of above matter in earlier quarters / financial years.

Emphasis of matter

As stated in note 4 to the Statement, the Company is looking for a new suitable business project. Also refer para 5 above for our comments on material uncertainty relating to going concern.

Our conclusion is not modified in respect of this matter.
