The Company/Group had assessed and disclosed the incremental impact of these changes on the basis of best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company/Group had presented such incremental impact as "Statutory impact of new Labour Codes" under "Exceptional items" in the standalone and consolidated unaudited Financial Results for the year ended March 31, 2026. The incremental impact consisting of gratuity and leave encashment benefits of Rs. 20.46 crore (Standalone) and Rs. 30.44 crore (Consolidated) primarily arises due to change in wage definition.

(i) During the quarter and year ended March 31, 2026, the Company had recognised an impairment provision in respect of investment in its wholly owned subsidiary Godrej Cattle Genetics Private Ltd. to the tune of Rs. 32.96 crore as the carrying value of the investment was higher than the recoverable value. It may be noted that this impairment was limited to the standalone financials and does not have any impact on the consolidated financial statements, as the underlying performance and valuation of the genetics business is appropriately reflected at the consolidated level.

(j) The figures for the quarter ended March 31, 2026 is the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures upto nine months ended December 31, 2025.
